We are grateful to DBS Bank for its continued support since 2004. We are also delighted to have RSM Chio Lim again this year, as the Knowledge Advisor. I would also like to mention that we are honored to have the support of all our sponsors and supporting partners in ensuring that this year's award ceremony will be a greater success."

Mr Piyush Gupta's presentation on 'Building Brand Value in the Singapore Context – The DBS Experience' was another highlight of the launch ceremony.

Following this, a dialogue session took place where His Excellency David I Adelman joined Mr Piyush Gupta.
